

sandeepsinghpreet80055@gmail.com
+91 8005541753
Alwar(Rajasthan), India 301001

Skills

Languages & Frontend: JavaScript, TypeScript, HTML, CSS, React, Angular

Backend: Node.js, Express.js, REST APIs

Database & Auth: MongoDB, Mongoose, JWT, bcrypt

Tools & DevOps: Git, Linux, Nginx, PM2

Concepts: API design, middleware, debugging, performance optimization

Soft Skills: Problem-solving, communication, adaptability

Education

Bachelor of Science (Mathematics)
Raj Rishi Bhartrihari Matsya University, Alwar – 2023

Languages

Hindi: Native Speaker

English: B2
Upper Intermediate

Interests & Hobbies

Going to the **GYM** and maintaining an active lifestyle

Working in **C** language and exploring **low-level** programming concepts

Making **from scratch** and understanding how systems work from the ground up

Building projects that combine software and **hardware** creativity

Experimenting with **micro-controllers**, **circuits**, and **embedded systems**

Staying curious by exploring new **technologies** and improving coding depth

Sandeep Singh

Summary

Full Stack Developer skilled in Node.js, Express, React, and MongoDB. Strong base in C programming and backend architecture, with a passion for building from scratch and exploring low-level systems. Focused on clean code, problem-solving, and continuous learning.

Experience

Coding Instructor (Part-Time) – USA (Online)
Nov 2023 – Present

- * Teaching JavaScript, HTML, CSS, and backend fundamentals to international students
- * Created interactive coding projects to strengthen conceptual learning
- * Helped students debug and understand logical problem-solving techniques

Software Engineer Intern – Compunnel, Noida
Jan 2024 – April 2024

- * Worked as a React and Angular Developer, building dynamic and responsive web interfaces
- * Integrated REST APIs and optimized frontend performance for smoother user experience
- * Collaborated with teams using Git and agile practices to deliver production-ready modules

Full Stack Web Developer – Jobiland, Ireland
Dec 2022 – Jul 2023

- * Built and maintained full-stack web applications using React, Node.js, and Tailwind CSS
- * Developed backend APIs and authentication systems with JWT and MongoDB
- * Designed responsive UI/UX and collaborated with teams for smooth project deployment

Backend Office Assistant – Deal.ie, Ireland
Apr 2021 – Aug 2022

- * Handled backend data approvals, client communication, and issue resolution
- * Supported administrative workflows and ensured accurate data management
- * Contributed to improving process efficiency and internal coordination
